DODGEVILLE, WISCONSIN

The Sale

LOCATION—This sale will be held on Blotz Bros.' farm, 5 miles southeast of Dodgeville, Wisconsin, on County Trunk B. U.S. Highway 18 runs two miles north of farm. 42 miles west of Madison. Gravel and paved roads in every direction.

TERMS—Cash, unless other arrangements are made with Blotz Bros. in advance of the sale. Settlements are to be made with clerk of sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but we will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—This herd is Federally Accredited and all cattle are guaranteed to comply with health regulations of any state into which they may go. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

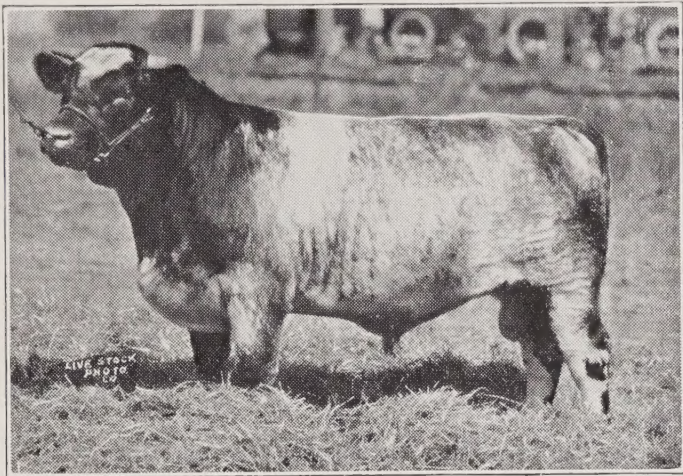

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

MAIL BIDS—Those wishing to buy at this sale, who cannot be present, may leave or send their bids to Hal Longley of The Shorthorn World, 14 Fox St., Aurora, Ill., or to either of the auctioneers.

AUCTIONEERS—Carey M. Jones, Oak Park, Ill. and P. A. Bishop, Platteville, Wis.

LUNCH—Will be served on the grounds by the neighboring ladies club.

Blotz Bros. maintain what I consider one of the most useful herds in the country. With a background of the very choicest Scotch ancestry and with a thoroughly up-to-date, uniform, blocky, compact, early maturing type well established in a herd numbering over 200 head, they are in a position to select a strong annual sale offering. The 1934 offering is their best because, along with the get of Quarterbar and Edellyn Perfection, it carries a liberal number of sons and daughters of Browndale Robin, this year's Wisconsin grand champion. The herd is Federally Accredited, is maintained under healthy conditions, and its members are prolific as well as heavy milkers. I am pleased to recommend this offering as one of the most useful of the year.—Hal Longley of The Shorthorn World.

This picture shows **EDELLYN PERFECTION** when he came to the Blotz Bros.' herd in his yearling form. This great breeding son of Browndale Count died in 1932 after a long and useful breeding career in this herd. This sale affords the last opportunity to buy his daughters.
